DLYC News and Events in June

Christmas in June!

L: Doug Tagsold, R: Doug Haskell

...and what to my wondering eyes should appear? A NEW PONTOON BOAT built and donated by our very generous member, Doug Haskell, owner of North Shore Pontoon Center! Doug is a past commodore and he and his wife, Kathy, can always be found at the front of the line when the call for volunteers goes up. Their continued support of the club on so many levels is truly a gift. Thank you!

The motor for the new pontoon boat has been donated by our Commodore and Dock Master, Doug Tagsold and his wife, Diane. Doug has worked tirelessly for the club making sure the docks are properly laid out to meet the needs of our boating members, which is an enormous task. Thank you!

The new boat will be used for Sunday sailboat races and other board approved DLYC activities

MESSAGE FROM THE COMMODORE

"June is upon us, and all of us are having fun in the sun at DLYC". That is my hope anyway, as I am writing this in May while it is cold and raining outside.

There are lots of things to be thinking about as we make our way through the summer at DLYC. First on my list is, how many potential new members have each of you brought to the club so far this summer? This is my continuing reminder to all of us that the easiest way for us to keep our annual membership dues as low as possible is to grow our club's membership. Spreading out the club's fixed expenses among a larger number of people reduces the cost to each member. Also, don't forget the incentives that the club is offering each of us to bring in new members. If you bring in a new member who joins during the month of June, both you and the new member will receive a \$150.00 club credit that may be used for DLYC meals and/or beverages. Don't pass up this great opportunity.

The second item I want to remind you about is our upcoming annual election. If any of you are interested in running for a seat on the DLYC's board of governors, or know of someone who may be interested, please contact myself, manager Steve Gongola, or Nominating Committee Chairman Diane Taylor. We want to present a full ballot of names to the membership in July.

Third and finally, don't forget that the club offers free youth sailing classes for all member's children and grandchildren. Sailing lessons will be held during two separate one week long mini camps. The first sail camp will be June 25-29, with the second minicamp July 9-13. Classes will be held each day from 9:30 am to 3pm, with a break from noon to 1pm for lunch. Lunch at DLYC will be available Tuesday through Friday for the sailors, as the restaurant is closed on Mondays. Youth swimming classes will be offered the week of July 16-20th. Private adult sailing or swimming classes are available upon request. Please contact manager, Steve, for more information on any of these events.

Message from the Manager

Hooray for sunshine! DLYC is gearing up for lots of fun this summer. The Kentucky Derby Party and the Mother's Day Brunch were well attended and thoroughly enjoyed. The club will open for full-time service on June 8th, serving lunch and dinner through the week and brunch, lunch and dinner on Sundays. The club is closed on Mondays except for Memorial Day, Labor Day and when 4th of July falls on a Monday. When we are open for a Monday holiday, we will be closed on Tuesday.

This month we have several special events for you. The Wine Dinner which was so well attended last year will be held this year on Thursday, June 14th. We will be featuring Benziger wines from Sonoma with their sommelier who will discuss the vintner, grapes and nuances of the wine served with each of five courses. The cost per person is \$50. The Ladies' Fashion Show and Luncheon will be held on Thursday, June 21st at noon. A Tiki Party is scheduled for June 23rd, down on the beach featuring Up Rizin', everyone's favorite steel drum band. Chef Greg will present a beautiful display of delicious food for dinner, menu to be announced, and Chip will mix up some tasty libations.

We look forward to seeing you soon!

Here to serve,

Stephen J Gongola, CCM

Dockmaster's Report

For all of our club members who have boats docked elsewhere on Devils Lake, this year there are six "Daily" (Transient) Docks available for you to come to the club and tie up your boats, but they are not located at the same locations as in past years. Due to the increased demand for larger and deeper water dock spaces for power boats by our members, many of what were "transient" docks in past years are now being used for members' boats. The best way to see which docks are available for Daily (Transient) docking is to look at the dock map located in the bulletin board on the outdoor seating deck area of the club building. The docks identified as "Daily" are the docks for visiting members. Four of the "Daily" docks are located on the west ends of "C", "B", and "S" line docks, and two additional "Daily" docks are located on "A" line, closest to shore. "A" line is the row of docks on the east side of the main dock.

Entertainment Committee

Summer is upon us. Dig out those flip-flops, fire up the grill, and dust off those dancin' shoes! The month of June is full of great entertainment at DLYC! Full bands appearing this month include ACT III, 3614, The 450's, Big Foot Bob, Last Nation, and Half Moon. Solos and duos include Marvin Reili, Chris Temple, and Kevin Nichols. DLYCers absolutely loved HALF MOON last summer, so we have booked them twice this year, on June 29 & Aug. 24.

Look forward to seeing you all on the dance floor and at the bar!
