AUCTION NEWS!

The annual DLYC Auction fun is right around the corner! With the renovation happening at the end of this season, it is time to raise as much money as we can to off-set the cost. I was hoping to have something different this year but it is difficult to find a fundraiser that generates as much money as the auction.

Help us make the auction successful! Member donations are needed, and this year **we'd like to see more nautical related items such as boats, beach furniture, nautical artwork and beach vacations.** All items that can bring value are needed. Contact Mary Glowacki to donate and if needed arrange pickup of large items.

I want to personally invite all who are interested in meeting new people and having fun to come to our next meeting at the club, which is on June 13th, at 6:30. The Auction is August 18th.

The Ladies' Auxiliary is asking for your feedback about our annual auction. What did you like? What would you prefer we do differently? When you dine at the club, your server will give you a short survey when she presents the check. Please take a few moments to fill it out and place it in the basket on the credenza in the foyer. OR you can take the short survey online by clicking on this link <https://www.surveymonkey.com/r/9XVVKH> Thank you!

MESSAGE FROM THE COMMODORE

Summertime activities are in full swing at DLYC. The Fourth of July is always a busy time at the club, especially with the fireworks being on the evening of the fourth, so please remember to be courteous to the other club members with regard to parking at the club. Because of the high volume of cars, and limited parking spaces, parking is limited to club members only. If you are bringing guests, please have them ride with you in your car, or consider walking to the club from another public parking area.

The July fun does not end on the fourth. Thursday, July 5th, is a special evening with an exceptionally talented Elvis Presley and Roy Orbison impersonator performing for us after dinner. This is an event you don't want to miss, make your reservations now. The week of July 9-13 is the second week of Sail Camp for all members and their families to enhance their sailing skills. Classes are daily from 9:30 am to 3 pm, with a one hour break for lunch at noon. The club is closed on Mondays, so make other lunch arrangements that day for your sailors.

Did all of you know that our club building is sitting in the center of a golf course? Well, on Saturday, July 14th, it is. All members and families are invited to participate in the DLYC Whiffle Golf tournament.

This is sure to be a fun event. Look for more information on this new event in the newsletter.

During the week of July 16-20, the club is offering free swimming lessons for all member's children and grandchildren. Swimming class sign-ups will be before the first class at noon on Monday, the 16th.

Just to keep you informed on the progress of the upcoming renovation of the club building, the final drawings have been received from the architect, and the builders are at work planning for the start of construction in September. Copies of the drawings will be hanging on the walls of the flag room for all of you to see what is in store for our building, and to see how fantastic it will look when finished.

Message from the Manager

July is upon us. The sun is shining, the water is warm and inviting and most everyone we see has a big smile on their face! It is definitely time to enjoy all that your club has to offer. We start the month with the best party of all, 4th of July! The fireworks will be the night of the 4th. at dark, and everyone is invited to come to your club and enjoy the explosion of color. Please plan to bring one car per family as our parking lot will get very crowded and we want **everyone to be able to participate. Please bring guests in your car as only members' cars will be able to park in the club parking lot.**

The next evening, we will have a real treat as we welcome Jesse Aron, who will perform his variety show featuring Elvis and Roy Orbison tributes as well as some of his favorite music from the 50s and 60s. See details in this newsletter and please call for reservations. 517-547-7352

We are planning two fundraisers this year to benefit the DLYC renovation. The first is this month and it is a brand new **idea! Now picture this...a golf course set up on our property and members and their kids of all ages hitting whiffle balls into crazy holes.** Participants will enjoy a steak grill (there will be a fish option) afterwards. Hilarity will ensue **and you won't want to miss it on Saturday, July 14th!** See details in this newsletter and call for reservations. 517-547-7352.

The second fundraiser to benefit the DLYC renovation is our tried and true DLYC Auction on August 18th. Mary Glowacki is the chairperson and she has volunteered to pick up any items you may want to donate. You can also bring your items to the office. The auction has been a significant source of revenue for the club every year and we appreciate whatever you can donate. We accept household items, decorative items, furniture, sporting equipment, homemade treats, artwork, vacations, cars, boats and anything else you may want to donate of value. Please plan to **invite your friends to join you! We will be accepting credit cards for everyone's convenience. With the renovation starting this September, let's make this the best auction ever!**

Wishing you lots of sun and fun,
I am at your service,

Stephen J. Gongola, CCM

Entertainment Committee

Summer is upon us. Dig out those flip-flops, fire up the grill, and dust off those dancin' shoes! The month of June is full of great entertainment at DLYC! Full bands appearing this month include ACT III, 3614, The 450's, Big Foot Bob, Last Nation, and Half Moon. Solos and duos include Marvin Rieli, Chris Temple, and Kevin Nichols. DLYCers absolutely loved HALF MOON last summer, so we have booked them twice this year, on June 29 & Aug. 24.

Look forward to seeing you all on the dance floor and at the bar!

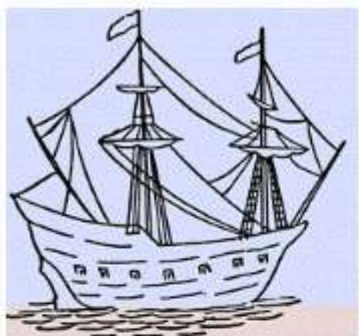

MEMBERSHIP DRIVE

Attention all members!
